

These Units are designed to secure onto the Dell Monitor Cradle to house and secure the Dell Ultra Small Factor CPU. A Unilock Pro Cable secures the Flat Screen Monitor the cable is then threaded through the cradle and is used to anchor the workstation into a fixed but moveable position.

Access to cable ports is restricted to all but authorised users.

Front CD Drives and USB are available to all users.

#### TECHNICAL SPECIFICATIONS

##### **Cradle**

*Manufactured from 2 mm sheet steel. Vent holes on rear and top and cut away design to allow heat dissipation. Compartment at the rear of Cradle hides cables and protects cable ports from illegal access. Plastic Rollerballs fitted underneath the cradle allow the monitor stand to move and twist to suit all the users needs.*

##### **Security**

*Cradle clamps onto Monitor Stand with a 8 mm bolt and hidden nut neither which can be accessed when CPU is positioned within cradle. 40 mm Keyed Alike Padlock secures CPU to Cradle using the CPU built-in security tab.*
